

SHADY CREEK FALL LEAGUE 2022

Saturday, September 3 – Tuesday, November 1

Win a Bison cooler!

2 Person Teams

50 Targets per person per week for 8 weeks

Lewis Class Purse: \$20 per person (one time fee)

Handicap will be applied on two randomly picked weeks.

Everyone has a chance to win regardless of shooting ability.

Rules of the Game:

1. Team members do not have to shoot together. Shooter may shoot any day during public club hours. (League shooters are able to make-up on Tuesday, Saturday, or Sunday during club hours. Members are able to shoot any day of the week.)
2. No practice rounds before shooting the league. League must be shot first.
3. No substitutes and no average scores for missed weeks. Shooters may shoot ahead or back to make-up missed weeks. Shooter is able to shoot his minimum/maximum target total all on same day if needed. An equal rotation of blue and red course is required, to a feasible extent. If shooter misses more than he can make-up, then shooter forfeits his score for that given week.

Schedule:

Sat, Sept 3 – Tues, Oct 11: Blue 100 Targets, Red 100 Targets, White 100 Targets

(Wed-Thurs, Oct 12-13 course closed for resetting targets)

Sat, Oct 15 – Tues, Oct 18: Registered Tournament Targets (league scores not required, but welcome to turn them in)

Sat, Oct 22 – Tues, Nov 1: Blue 100 Targets

4. No make-ups after the end of the league. In cases of inclement weather conditions extensions will be granted by majority consent.
5. If there is a sanctioned event at the club (i.e. Registered Shoot), shooter must shoot the tournament first before shooting the league. Event scores are not counted towards league scores.
6. Shooter must notify management of score discrepancies within 3 days of posted score in order to reconcile his score. Scores will be posted every week on Wednesday by email. Scores are also available at the club front desk and/or scoreboard during club hours. Final scores for the 8th week will be given 24 hours for any discrepancies. If you did not receive your score please call 316-210-4334.
7. Number of Lewis Classes will depend on number of individual participants.
8. **RE-ENTRY IS ALLOWED** on a different team by shooter paying the Lewis class purse again. Shooter only shoots 50 targets once a week with the same score going towards both teams.
9. League shooters who complete all 8 weeks of league will be entered into a drawing for the chance to win a Yeti cooler. (There must be a minimum of 25 shooters who complete the league for the drawing to be held.)
